CRANGANUR. 15. Medical. (5) Miscellaneous.	50	The budget allotment of Rs. 60 was all exhausted and a sum of Rs. 50 more was found essential for payments to be made. An additional allotment of Rs. 50 had therefore to be urgently sanctioned.

Demands for Supplementary Grants.

XI.—Registration.

Mr. A. K. Vengu Ayyar.—Sir, I rise to move for a supplementary grant of Rs. 1,938 under 'XI—Registration—Establishment of the Superintendent and the District Registrars.' The original grant under these heads amount to Rs. 34,536. On account of the leave allowances already drawn, and those still remain to be drawn, the allotment is found to be quite insufficient to meet the expenses of the year. The House will, therefore, be pleased to vote this grant unanimously.

I may mention, in this connection, that the grant has the approval of the Standing Finance Committee.

President.—Any remarks? Then I shall put the motion for the vote of the House. The question is "That the supplementary grant of Rs. 1,938 under "XI.—Registration—Establishment of the Superintendent and the District Registrars" be granted.

Granted.

Mr. A. B. Salem.—On a point of order, Sir. In the last meeting, certain additional allotments were asked for in this House, and this House passed a resolution to the effect that the consideration of the matter may stand adjourned. I wish to know whether in the Statement, which is now placed before the House under 16 (9), whether any such additional allotments, that were asked for, and the consideration of which was deferred, have been put in there, and whether the expenses mentioned in the additional allotment, the consideration of which was postponed and adjourned for a later meeting, have been incurred.

President.—That item is over. We are dealing with the 'Supplementary Grants.' You refer to the previous item. That is over.

Mr. A. B. Salem.—I do not refer to any item whatever. I am on a point of order.

President.—We are dealing with item No. 5 now. You refer to item No. 4.

Mr. A. B. Salem.—I am not referring to the Statement at all. The Statement cannot be discussed. I am only bringing to you a point of order. When this House deferred the

consideration of certain additional allotments, when we questioned whether that should not come for consideration in this House, the Council said that the matter may be adjourned. It should again come before the House. No such Statement is placed before the House.

Mr. A. Sankara Menon.—There is no point of order there.

Mr. A. B. Salem.—I wish, therefore, to raise the point of order whether that additional allotment, which you asked for, is incurred, and if so, whether it is incurred over the head of the House.

Mr. A. Sankara Menon.—It is only for questions and answers.

Diwan Bahadur Dr. V. Verghese.—Under what section of the Rules is the point of order?

Mr. A. B. Salem.—This is no question and answer. The point of order is on additional allotments. All votable items of expenditure must be passed by this House.

Mr. A. K. Vengu Ayyar.—With the exception,....

Mr. A. B. Salem.—Of those mentioned in the sections and in the Rules. There were certain votable items of expenditure placed before us, and the House ruled that the consideration of those items may be postponed. I do not see those items coming again here by way of additional allotments. Therefore, I ask, when the House has said that it would be considered at a later time, whether it should not come before this House.

Mr. T. K. Krishna Menon.—We are now at supplementary demands, and I do not think there is any point of order like this to be raised here.

XV.—Law and Justice.

Mr. A. Sankara Menon.—Sir, I rise to move for an additional allotment of Rs. 555 under "XV—Law and Justice—' as explained below:—

(1) Under 'B. 3. Munsiffs' Courts'—Rs. 125.

The excess has been caused by the increase in the number of processes to be served and the enhanced rate of T. A. to be paid for the service of such processes referred to in the C. S. R.

(2) Under "C. Criminal Justice, T. A. and Miscellaneous"—Rs. 100 plus Rs. 75 respectively.

The increase under the former head requires no special explanation. It is due to increased touring and the inadequacy of the budget allotment, and that under the latter is due to the purchase of law books for the use of the Magistrates, the enter-
